

# CORTEZ BRIDGE UTILITY RELOCATION

MAY 15, 2025

## PROJECT UPDATE

Pipe installation and related activities are ongoing in preparation for the FDOT’s construction of the new Cortez Bridge, scheduled to begin in 2026. Construction is currently underway east of the Cortez Bridge on the north side Cortez Road W. along the northern shoulder of 124th Court W., on 127th Street W. between Cortez Road W. and 126th Street W., and on the south side of Cortez Road W. between 124th Street W. and Avenue A. Work in these areas is expected to continue through summer 2025.

Construction will also be active west of the Cortez Bridge, on the north and south sides of Cortez Road W., throughout the duration of the project, which is expected to be complete in spring 2026.

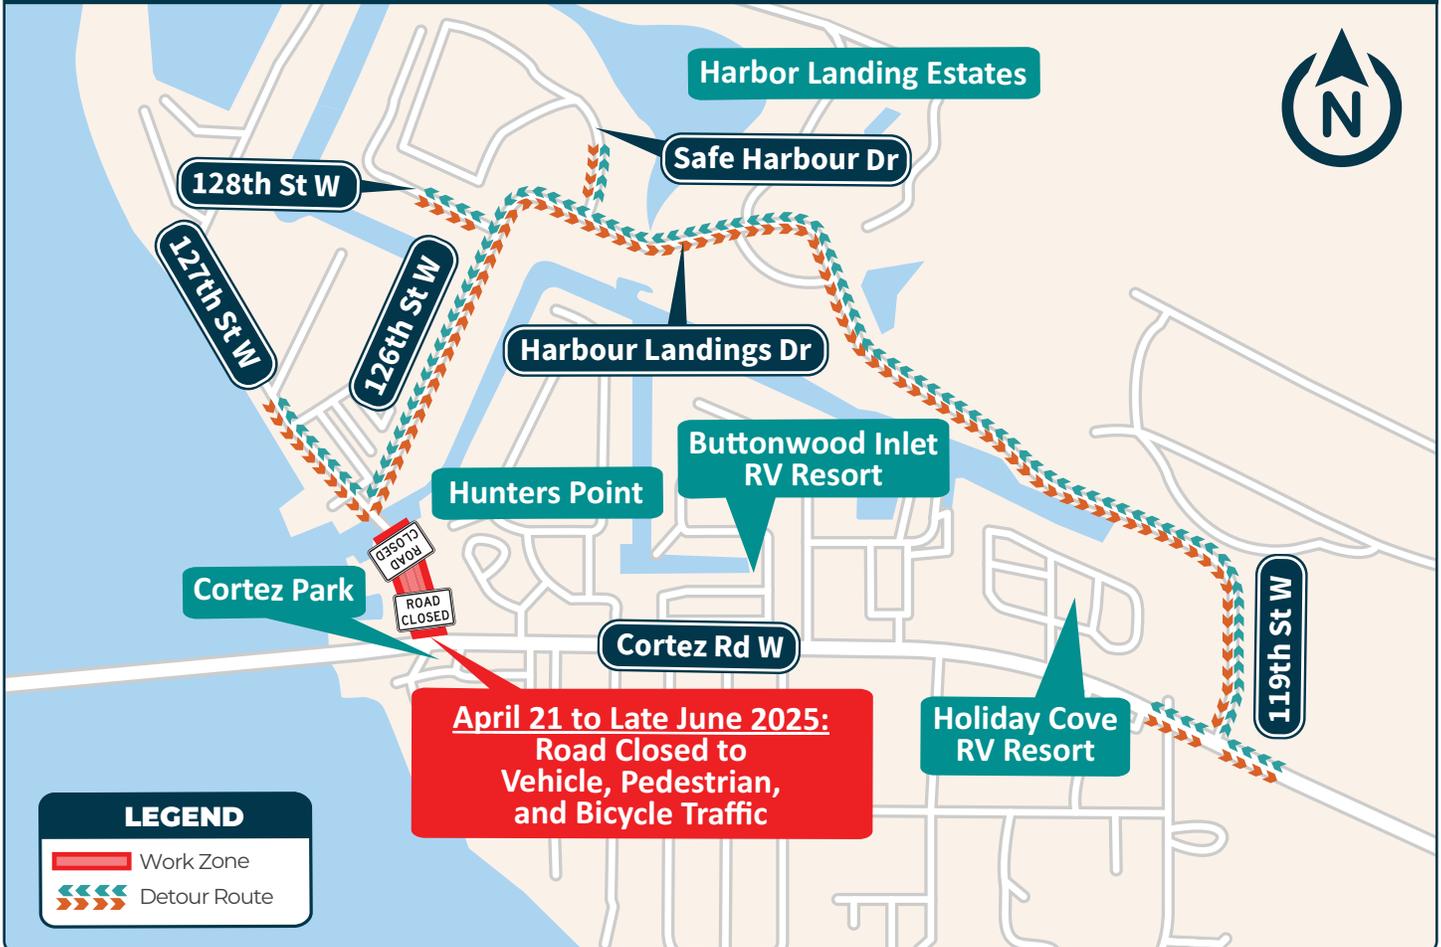

**Construction is active Monday through Friday, between the hours of 7 a.m. and 7 p.m., with after-hours and weekend work to occur on an as-needed basis.** Motorists, bicyclists, and pedestrians are asked to remain mindful of construction vehicles/equipment, crews, materials, and traffic patterns when traveling in and near the construction areas. **See CONSTRUCTION LOCATIONS, IMPACTS & SCHEDULE below.**
